ID Grand Rounds

Larry York, PharmD, BCIDP, BCPS, AAHIVP

“Antiretroviral Laboratory Monitoring and Implications for HIV Clinical Care in the Era of COVID-19 and Beyond”

Tuesday, August 24, 2021
8:00 – 9:00 a.m.
AHSC 8403 and Zoom

Larry York, PharmD, BCIDP, BCPS, AAHIVP is a clinical infectious diseases pharmacist who has been working with the Petersen HIV clinics since 2016. He is part of a collaborative care team approach to patient management in working with people living with HIV as well as individuals seeking HIV pre- and post-exposure prophylaxis. Additionally, Dr. York works with an infectious diseases physician to deliver HIV and general infectious diseases care for the department of corrections via telemedicine. He graduated with his Doctor of Pharmacy degree from the University of Arizona in 2014 and later completed a general pharmacy practice residency at the Southern Arizona VA Health Care System in 2015 and an infectious diseases residency at Banner University Medical Center - Tucson Campus in 2016.
