Project FUTRE
Families Uplifted Through Recovery Education

Seeking Education and Work Experience?

Project FUTRE is an Education & Apprenticeship Program designed to offer you both education and work experience to become a Behavioral Health Paraprofessional trained to work with families that experience the impacts of opiate misuse and substance use disorder. As an apprentice you will hold a unique position to reach out and support other parents and family members through your own lived experiences.

Classroom Learning: $750 monthly stipend + $500 completion bonus!
- Education & training in the practice of Family Support and Recovery concepts
- Certification as Parent and Family Support Specialist (must qualify)
- CPR/First Aid and assistance with AZ Fingerprint Clearance
- Hands on learning and job shadowing with a local health and wellness organization

Please note that classroom education will be held on-line until further notice.

Apprenticeship (Separate application)
- Twelve month employment opportunity with local health and wellness organization as an apprentice
- Full time hours and health benefits
- $500 apprenticeship completion bonus
- Mentorship and clinical guidance

Who can join Project FUTRE?
Any individual with lived experience or who self identifies as being a parent or family member of an individual with an opioid use or substance use experience.
