ARIZONA TELEMEDICINE PROGRAM WEBINAR SERIES

The practice and delivery of healthcare is changing with an emphasis on improving quality, safety, efficiency, & access to care. Telemedicine can help you achieve these goals! The Arizona Telemedicine Program and Southwest Telehealth Resource Center invite you to a free one-hour CME webinar on the implementation and practice of telemedicine.

CME provided by The University of Arizona College of Medicine - Tucson

DIGITAL HEALTH AND QUALITY IMPROVEMENT

TUESDAY, JULY 25, 2023
11:00 am Arizona Time
11:00 am PDT ~ 12:00 pm MDT ~ 1:00 pm CDT ~ 2:00 pm EDT

Join us to explore the current landscape of digital health tools and their role in quality improvement.

OUTCOME OBJECTIVES

• Understand the importance of digital health and quality improvement in transforming healthcare delivery.

• List two challenges and opportunities presented by the intersection of digital health and quality improvement.

• Define the potential impact of digital health and quality improvement on healthcare outcomes and patient satisfaction.
