

THE UNIVERSITY OF ARIZONA

College of Pharmacy

**Pharmacology & Toxicology
Special Seminar**

Wednesday, December 8, 2021

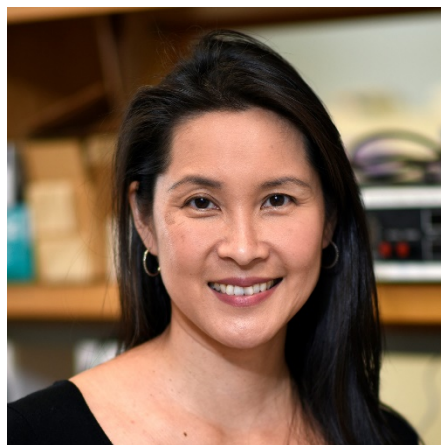

9:00-10:30 AM

Zoom: <https://arizona.zoom.us/j/84460489792>

Host: Dr. Haining Zhu

Jeannie Chin, PhD

Associate Professor
Department of Neuroscience
Baylor College of Medicine

**“Mechanisms of Cognitive and Sleep Deficits in
Alzheimer’s Disease”**

We use mouse models of Alzheimer’s disease to identify and target the earliest possible cellular and network alterations that contribute to disease symptoms and pathogenesis. Our goal is to develop therapeutic strategies that can be initiated in people with high risk or in very early stages of disease to stop or prevent disease progression.
