

ARIZONA TELEMEDICINE PROGRAM WEBINAR SERIES

The practice and delivery of healthcare is changing with an emphasis on improving quality, safety, efficiency, & access to care. Telemedicine can help you achieve these goals! The Arizona Telemedicine Program and Southwest Telehealth Resource Center invite you to a free one-hour **CME** webinar on the implementation and practice of telemedicine. CME provided by The University of Arizona College of Medicine - Tucson.

ENVENOMATIONS, INTOXICATIONS AND TRAVEL-RELATED DISEASES: MORE COMMON THAN YOU THINK! WHAT TO DO.

WEDNESDAY, FEBRUARY 21, 2024

12:00 pm Arizona Time

11:00 AM PST ~ 12:00 PM MST ~ 1:00 PM CST ~ 2:00 PM EST

Join us again for another in the series on envenomations, intoxications and bites in the Southwest. This session will focus on venomous snake species causing problems. Plus what victims are doing when they get bit, and what both residents and healthcare professionals can do to prevent/lessen injury.

OUTCOME OBJECTIVES

- Describe the epidemiology of the presented venoms.
- List three clinical presentations of venomous snake bites.
- Describe two most important steps residents and healthcare professionals can do to prevent/lessen injuries from snake bites.
