

ARIZONA TELEMEDICINE PROGRAM WEBINAR SERIES

The practice and delivery of healthcare is changing with an emphasis on improving quality, safety, efficiency, & access to care. Telemedicine can help you achieve these goals! The Arizona Telemedicine Program and Southwest Telehealth Resource Center invite you to a free one-hour **CME** webinar on the implementation and practice of telemedicine. CME provided by The University of Arizona College of Medicine - Tucson

ENVENOMATIONS, INTOXICATIONS AND TRAVEL-RELATED DISEASES: MORE COMMON THAN YOU THINK! WHAT TO DO.

WEDNESDAY, JULY 24, 2024

12:00 pm Arizona Time(PDT)

12:00 PM PDT ~ 1:00 PM MDT ~ 2:00 PM CDT ~ 3:00 PM EDT

Join us again in our series on envenomations, intoxications and bites in the Southwest. This session will be about kissing bugs. These bloodsucking insects are very common during the months of May - July. Why are these little critters dangerous? They can transmit Chagas disease and cause allergic reactions!

OUTCOME OBJECTIVES

- Describe the epidemiology of the presented disease.
- List three clinical presentations of the presented disease and allergic reactions.
- Describe the treatment for anaphylaxis symptoms from kissing bugs.

CONTINUING MEDICAL EDUCATION

Accreditation Statement

The University of Arizona College of Medicine - Tucson is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Arizona College of Medicine - Tucson designates this live activity for a maximum of 1.0 *AMA PRA Category 1 Credit(s)*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
