2:30-3:15 P.M.

POSTER SESSION AND NETWORKING
3:15-4 P.M.

CALL FOR POSTERS

Poster/Abstract submission deadline 9/10/24

Join BIO5's poster showcase! The goal of this poster showcase is to reflect the broad range of BIO5's interdisciplinary research scope, including research in progress. This poster session is open for all investigators who have received research funds from BIO5 and students and investigators within the greater UAZ research community who want to present their research and collaborate among peers.

This showcase fulfills the obligation to present research progress to the BIO5 community.
