

CLINICAL INVESTIGATORS WORKSHOP

ARIZONA
DEPARTMENT OF
HEALTH SERVICES
Arizona Biomedical Research Centre

Join us for the Clinical Investigator Training Workshop, a one-day, hands-on program designed to guide investigators through the full clinical research lifecycle:

- Concept development
- Study Execution
- Grant Submission
- Activities include:
 - Interactive sessions
 - Case-based discussions
 - Expert panelists

Participants can expect to gain insight into:

- Navigating regulatory pathways
- Accessing data
- Assessing feasibility
- Leveraging institutional resources.

This workshop is designed for investigators at all stages and provides the tools and connections needed to successfully launch and manage clinical research.
