

Artificial Intelligence, Machine Learning and Medical Imaging: Applications and Implications

CONVENERS

A joint AI/ML workshop
sponsored by Electrical &
Computer Engineering and
Radiology & Imaging Sciences

COLLEGE OF MEDICINE TUCSON

Radiology & Imaging
Sciences

COLLEGE OF ENGINEERING

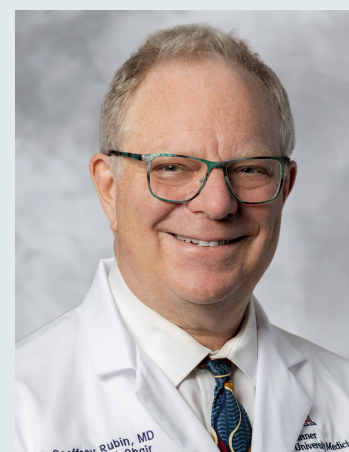

Electrical & Computer
Engineering

Discover the latest breakthroughs
at the intersection of artificial
intelligence, machine learning,
and medical imaging.

- May 12
- Radiology Education Center
AHSC 1302
- 3:00 - 5:00 pm
- Reception to follow

Michael H. Wu, PhD
Thomas R. Brown Leadership
Chair and Department Head
Electrical and Computer
Engineering

**Geoffrey Rubin, MD, MBA,
FACR, FAAR**
Chair and Professor
Radiology and Imaging
Sciences

David W. Hahn, PhD
Craig M. Berge Dean
College of Engineering
Professor and
Eminent Scholar

Michael Dake, MD, FSIR
Professor
Radiology and Imaging
Sciences,
Medicine and Surgery

 *Registration*
