of Medicine

Medicine Grand Rounds

“Endoscopic Submucosal Dissection in the West: What we have Accomplished and the Road Ahead”

Speaker: Mohamed Othman, MD

University of Arizona College of Medicine – Tucson

Lecture Hall, Room 5403

1501 N. Campbell Ave., Tucson, AZ 85721

Noon – 1:00 pm | Wednesday, Jan 14, 2026

— A light lunch will be provided. —

About the Presenter: Dr. Mohamed Othman is the Martha Ann and Harold M. Selzman, M.D., Endowed Chair and Professor of Medicine in the Gastroenterology and Hepatology Section at Houston’s Baylor College of Medicine. He also serves as Chief of the Gastroenterology Section at Baylor St. Luke’s Medical Center. A recognized leader in pancreatico-biliary disorders and advanced endoscopy, Dr. Othman has authored more than 150 publications and book chapters. His ongoing research and grant-funded work focus on clinical trials in third-space endoscopy, endoscopic submucosal dissection, and diseases of the pancreatico-biliary system. He also is the Senior Associate Editor of *Gastrointestinal Endoscopy* (GIE) and the founder of the Texas Interventional Endoscopy Group (TIEG).
