

Medicine Grand Rounds

“Met and Unmet Needs in Treating Chronic Kidney Diseases”

Speaker: **Frank C. “Chip” Brosius, III, MD**

University of Arizona College of Medicine – Tucson

Lecture Hall, Room 5403

1501 N. Campbell Ave., Tucson, AZ 85721

Noon – 1:00 pm | Wednesday, February 18, 2026

— A light lunch will be provided. —

About the Presenter: Dr. Brosius is a Professor of Medicine at the University of Arizona and an active Professor Emeritus at the University of Michigan, where he previously served as Chief of the Division of Nephrology. His research, continuously funded by the National Institutes of Health for more than 30 years, focuses on human studies aimed at identifying new therapeutic targets for diabetic kidney disease and other chronic kidney diseases. He serves as the Principal Investigator for the University of Arizona Recruitment Site of the NIH-funded Kidney Precision Medicine Project.
