Medicine Grand Rounds

“Chronic Diseases Prevention and Management Using AI-Driven Telemedicine and Digital Health”

Speaker: **Joseph Finkelstein, MD, PhD, FAMIA, FACMI**

University of Arizona College of Medicine – Tucson
Lecture Hall, Room 5403

1501 N. Campbell Ave., Tucson, AZ 85721

Noon – 1:00 pm | Wednesday, April 8, 2026

– A light lunch will be provided. –

About the Presenter: Joseph Finkelstein, MD, PhD, FAMIA, FACMI, is a Professor of Medicine at the University of Arizona in the Division of General Internal Medicine, Geriatrics, and Palliative Medicine. He serves as Director of the Arizona Telemedicine Program and the Transformation Health (T-Health) Institute. Previously, he held leadership roles at the University of Utah and the Icahn School of Medicine at Mount Sinai and was affiliated with the Huntsman Cancer Institute and Tisch Cancer Institute. Dr. Finkelstein completed postdoctoral training in biomedical informatics at Columbia University. His research focuses on telemedicine, clinical data science, and AI-enabled healthcare. He currently leads a U.S. Department of Defense–funded clinical trial evaluating AI-assisted support for rural patients with metastatic prostate cancer receiving androgen deprivation therapy.
