## Medicine Grand Rounds

# “Bench to Bedside Strategies Targeting Mechanisms of Protein Degradation”

Speaker: **Jennifer Carew, PhD**

University of Arizona College of Medicine – Tucson  
**Lecture Hall, Room 5403**  
1501 N. Campbell Ave., Tucson, AZ 85721  
**Noon – 1:00 pm | Wednesday, May 6, 2026**

– *A light lunch will be provided.* –

**About the Presenter:** Jennifer S. Carew, PhD, is chief of the Division of Translational Medicine and a professor at the University of Arizona College of Medicine – Tucson, where she also directs investigator-initiated clinical trials and translational research at the U of A Cancer Center. A cancer researcher and co-founder of Majestic Therapeutics LLC, her work focuses on identifying targeted therapies for hematologic malignancies and overcoming drug resistance. She joined the U of A faculty in 2016 and previously held roles at the Cleveland Clinic and the University of Texas Health Science Center at San Antonio. She completed her postdoctoral training at St. Jude Children’s Research Hospital and earned her PhD from University of Texas MD Anderson Cancer Center and holds a bachelor’s degree from the University of Wisconsin–Madison.
