

## Improving Access to Quality Medical Care

The practice and delivery of healthcare is changing with an emphasis on improving quality, safety, efficiency, & access to care. Telemedicine can help you achieve these goals! The Arizona Telemedicine Program, the Arizona Department of Health Services and the Maricopa County Medical Society invite you to a **free** webinar on the implementation and practice of telemedicine.

## “HB 2454 and the Impact in Arizona for Healthcare Professionals” Wednesday, July 28, 2021 ~ 2:00 pm PDT/5:00 pm EDT

**Please join us for this one hour presentation on Arizona’s HB2454 and learn about the governor’s telemedicine executive orders that are now permanent and their impact on healthcare in Arizona.**

### Outcome Objectives

- Catalogue the items in HB2454 that directly affect physician practices today.
- Identify specific technologies (i.e. audio only) approved for telemedicine and telehealth use in patient care.
- Characterize the pool of healthcare professionals sanctioned to be telehealth service providers.

### Accreditation / Credit Designation Statement

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of The University of Arizona College of Medicine - Tucson and Maricopa County Medical Society. The University of Arizona College of Medicine - Tucson is accredited by the ACCME to provide continuing medical education for physicians.

The University of Arizona College of Medicine - Tucson designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit(s)*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### Conflict of Interest Disclosure Statement

All Faculty, CME Planning Committee Members, and the CME Office Reviewers have disclosed that they do not have any relevant financial relationships with commercial interests that could constitute a conflict of interest concerning this CME activity.

### Presenter: *Christina Corieri, Senior Policy Advisor, Office of the Arizona Governor*

**Christina Corieri** serves as Governor Ducey’s Senior Policy Advisor. In this position, she advises the governor on various issues and policy affecting healthcare at the state and national level as well as on welfare, insurance, child safety, and health related licensing boards. Prior to joining Governor Ducey’s staff, she held positions including healthcare policy analyst at the Goldwater Institute, Chief of Staff for Councilman Sal DiCiccio, and Vice President of Government and Board Relations for a national nonprofit. She holds a JD from Arizona State University as well as a B.S. in political science and a B.A. in history.
