**Surgery Grand Rounds**

**WHEN:** WEDNESDAY, APRIL 27, 2022  
**WHERE:** ROOM 5403  
**TIME:** 8:00 – 9:00 AM

---

**Bo Zhang, MD**  
PGY5-General Surgery Residency Program  
Department of Surgery  
University of Arizona  
“All Bleeding Stops Eventually: Topical Hemostatic Agents in Abdominal Surgery”

---

**Dr. Bo Zhang** earned her medical degree at The University of South Florida in Tampa in 2017, with a scholarly concentration in medical humanities. Throughout her education, she served in many leadership and volunteering roles within the medical community in both Florida and Arizona.

Dr. Zhang has been a part of numerous research publications regarding topics such as Alzheimer’s disease. After receiving her medical degree, Dr. Zhang entered the residency program at The University of Arizona, where she has continued to serve in leadership roles and remains involved in professional medical organizations.

Upon graduating from The University of Arizona, Dr. Zhang plans to continue with The University as a fellow in the Surgical Critical Care, Trauma, and Acute Care Surgery program.

---

**Overall Series Objectives:**

1.) Incorporate into practice intraoperative teaching and feedback to improve operative performance.

2.) Incorporate cutting-edge surgical techniques and patient management strategies.

3.) Incorporate into practice results from recent randomized-controlled trials/studies.

4.) Communicate operative knowledge effectively to peers.

---
