Surgery Grand Rounds

WHEN: WEDNESDAY, NOVEMBER 10, 2021
WHERE: ROOM 5403
TIME: 8:00 – 9:00 AM

“Implicit Bias and Interviews”
Presented by:

Michelle Ortiz, PhD
Director of Diversity, Equity, and Inclusion
University of Arizona

Dr. Michelle Ortiz is the Director for the Office of Diversity, Equity, and Inclusion at The University of Arizona College of Medicine – Tucson. She received her PhD in Communication from The University of Arizona. Her research focuses on intergroup communication, and on the role of mediated messages in intergroup relations. In her current role, she develops and oversees trainings aimed at reducing the influence of unconscious biases and promoting an inclusive climate.

Letitia Bible, MD
Professor, Clinical Assistant
Division of Trauma, Surgical Critical Care, Burns, and Acute Care Surgery
Department of Surgery
University of Arizona

Dr. Letitia Bible is a clinical assistant professor with the Division of Trauma, Critical Care, Burns, and Emergency Surgery. Dr. Bible obtained her bachelors at Florida State University and earned her medical degree from the University of Miami. She proceeded to complete her residency training in general surgery at Rutgers New Jersey Medical School in Newark, NJ, which included a two-year research fellowship studying the effects of stress, injury, and hemorrhagic shock on bone marrow function. Dr. Bible joins the UA from the University of Pittsburgh, where she completed her fellowship in surgical critical care and acute care surgery. Dr. Bible’s academic and research interests include the sequelae of chronic stress, bone marrow function, delirium, and post-intensive care unit syndrome.
